Re: Mail Ballot Return Envelope Missing or Discrepant Signature

Dear KEITH NEIL GROMBACHER IRWIN,

We have received your voted ballot for the 11/08/2022 General Election. Colorado law requires us to compare the signature on your return envelope with the signatures in your voter registration record in order to verify your identity. Unfortunately, either your return envelope did not have a signature, or we were unable to verify your signature with those on file.

In order for your ballot to count, you must complete, sign, and return the enclosed form by 11/16/2022. Please note that you will also be required to return a photocopy of your identification.

If you indicate that you have not voted a ballot, or if you fail to return the enclosed form, we will not count this ballot. If your ballot contained a signature that was not verifiable, and you do not affirm on the enclosed form that you voted a ballot, we will also turn over this discrepancy to the District Attorney's Office for investigation.

You may mail, fax, or email your complete and signed affidavit with a photocopy of your identification to our office at:

Conejos County
PO Box 127

Thank you for your assistance.

Sincerely,
